Amazing Little Readers

An inclusive Reading Project

La lettura è uno degli strumenti più potenti ed efficaci per conoscere una lingua e imparare a esprimersi con scioltezza. Pearson incentiva la pratica della lettura non solo attraverso i suoi libri, ma anche promuovendo progetti specifici, come *Amazing Little Readers*. Lo scopo del progetto, patrocinato dall'**Ambasciata Britannica in Italia**, è quello di spingere i bambini a leggere libri in lingua inglese per il puro piacere di farlo.

Read for pleasure, read more, read better

Amazing Little Readers è un progetto inclusivo che coinvolge l'intera classe, indipendentemente dal livello di comprensione della lingua e dai gusti personali di ogni studente: è infatti possibile scegliere tra un'amplessima selezione di titoli, organizzati **in 7 collane** e sviluppati su **6 livelli di difficoltà**. Testi che possono legarsi al CLIL, aiutare a migliorare la fluidità della lettura in vista del test INVALSI di inglese e di eventuali certificazioni internazionali, o semplicemente dare ai bambini la soddisfazione di leggere e ascoltare in inglese storie sui personaggi che più amano, come gli eroi Disney e Marvel.

Bringing learning to life

L'insegnante può aiutare gli studenti a scegliere il testo che preferiscono, guidandoli verso il livello più adatto e incoraggiandoli a spaziare tra stili e generi diversi. Le letture vengono monitorate attraverso un "diario di bordo", il **Reading Log**. Durante l'anno scolastico gli studenti possono organizzare anche momenti di confronto e discussione dei testi, come il **Discovery Day delle letture**. Possono creare un **Lapbook** o un poster sul loro testo o personaggio preferito, possono vestirsi come i loro personaggi preferiti e mostrare il proprio lavoro a compagni e genitori, coltivando **creatività e fantasia** in momenti di gioiosa condivisione.

Intensive and Extensive Reading Programmes

I Pearson English Readers vengono spesso usati per due tipologie di lettura: estensiva e intensiva. Questi due approcci hanno scopi diversi e possono essere utilizzati insieme, in modo concomitante o complementare, per favorire lo sviluppo integrato del linguaggio.

What is extensive reading?

Gli studenti leggono per divertimento, senza doversi fermare per concentrarsi su parole che non conoscono; leggono un gran numero di storie per aumentare le capacità complessive di lettura.

What is intensive reading?

Gli studenti leggono in modo più dettagliato e analitico, si concentrano su testi e svolgono attività ed esercizi utili a migliorare la comprensione dei testi e sviluppare ulteriormente le loro abilità linguistiche.

Pearson English Readers

Progettati per una lettura di tipo estensivo, forniscono:

- una vasta scelta di titoli che coprono generi diversi, in modo che gli studenti possano scegliere libri che apprezzano maggiormente, e vengano incentivati a leggere di più;
- attività extra che consentono agli studenti di verificare il loro livello di comprensione del testo.

Pearson English Active Readers

Progettati per una lettura di tipo intensivo, forniscono:

- il giusto livello di sfida per garantire una lettura piacevole unitamente a progressi nell'acquisizione della lingua;
- approfondimenti lessicali e attività grammaticali che favoriscono e valutano l'acquisizione del linguaggio e verificano il livello di comprensione del testo.

Making reading accessible to all

I nostri Readers sono attentamente strutturati per livello, a seconda del numero di parole che compongono il vocabolario dei racconti e della difficoltà del linguaggio utilizzato. I livelli sono riconosciuti secondo standard internazionali, come il **Quadro Comune Europeo di Riferimento per la conoscenza delle Lingue** (CEFR) e la **Pearson Global Scale of English** (GSE). Sono inoltre allineati ai livelli delle più importanti certificazioni linguistiche, come il **Pearson Test of English Young Learners** (PTE YL) e il **Cambridge Young Learners Test** (CYLET).
