

# Sustainable

Word of the month

a cura di Sarah Gudgeon

Edizioni Ottobre 2019

**1. Tick the correct 5 word combinations. These are some of the United Nations sustainable development goals.**

- |                                |                        |
|--------------------------------|------------------------|
| a. Sustainable forests         | d. Sustainable books   |
| b. Sustainable cities          | e. Sustainable farming |
| c. Sustainable economic growth | f. Sustainable energy  |

**2. Match each sustainable development goal (a-e) to the correct action (1-5)**

- |                                |                                     |
|--------------------------------|-------------------------------------|
| a. Sustainable cities          | 1. Plant more trees                 |
| b. Sustainable farming         | 2. Build strong infrastructures     |
| c. Sustainable forests         | 3. Use solar/wind power             |
| d. Sustainable energy sources  | 4. Invest in green industries       |
| e. Sustainable economic growth | 5. Follow natural biological cycles |

***Sustainable development is when we help our country and our people to grow and to live well without depleting the earth's natural resources.***

**3. Complete the sentence.**

- a. \_\_\_\_\_ development is the only way to guarantee a good life for all the world's citizens and protect the planet earth.

**4. Complete the graphic organiser. Use the words/ phrases below to help you.**

Some children cannot get an education

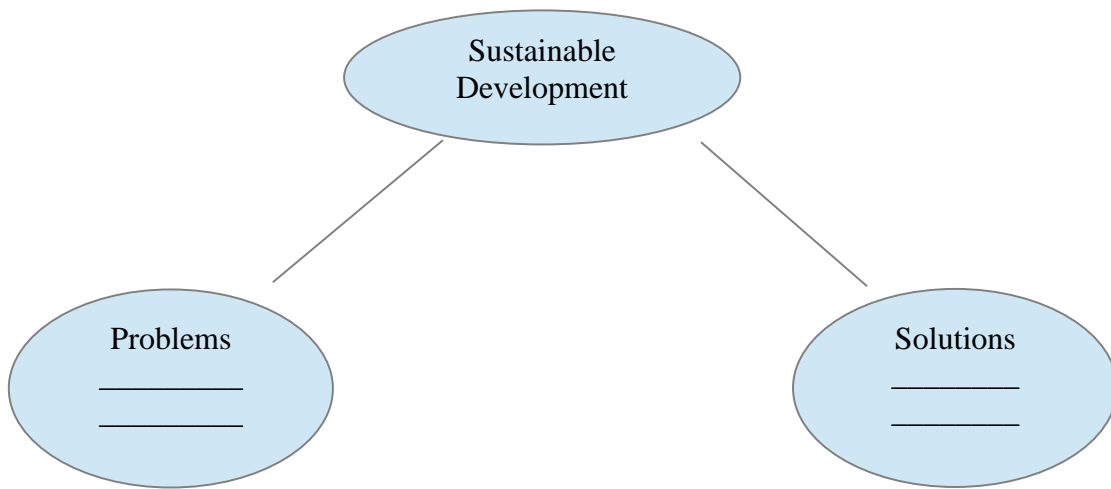

People in some countries have no food

Child poverty is a big problem globally

Create farming cooperatives

Build more local schools

Create better work opportunities for families

**5. Check your ideas with a partner. Can you add any more ideas to the problems/solutions?**

**Helpful language:**

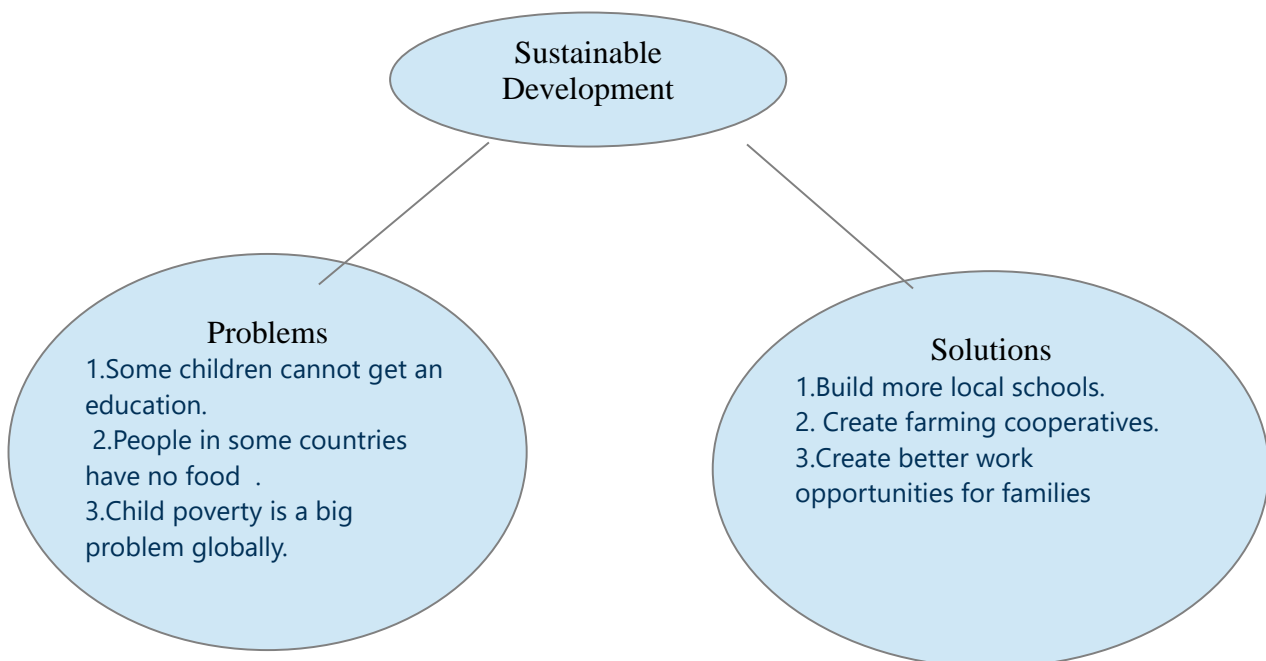

**Let's look at the problems and solutions together....**

**How about the problem of....?**

**What is the solution?**

**Teacher's Notes**

1. Tick: a,b,c,e,f
2. a 2 b5 c1 d3 e4
3.
  - a. Sustainable development is the only way to guarantee a good life for all the world's citizens and protect the planet earth.
  4. Remind students that graphic organisers are a good way to organise ideas, especially in preparation for an oral presentation.

5. You could direct the students to the UN sustainable development goals website to give them some ideas.
