

Helping at Home Worksheet 1

Read what three teenagers say about helping at home. Are the sentences true or false (T/F)?

- 1 Jack helps a lot at home.
- 2 Jack cleans his room.
- 3 Emma has a tidy bedroom.
- 4 Emma helps in the kitchen.
- 5 Rachel likes helping in the kitchen.
- 6 Rachel doesn't take the rubbish out.

Jack

I don't do anything at home. Why should I? That's not my job. Most of my friends don't do anything either, so I'm not unusual. My mother asks me to clean my room, but I don't do it. It's not important for me or my friends if my room is not clean. I make my bed, of course and take the rubbish out, but that's it. I don't like doing jobs at home.

Emma

I'm a tidy person and I like my room to be nice and tidy as well. I make my bed when I get up and put my clothes in the wardrobe. I do lots of jobs at home. I clean the bathroom and sometimes do the washing up.

Rachel

I do one or two jobs round the house, but only if I don't have much homework. I sometimes go shopping for food and sometimes help with the cooking. I like making salads and preparing vegetables; I also peel potatoes and carrots, I find that relaxing. I occasionally take the rubbish out and I always clean the kitchen after dinner.
