

Grandparents' day

1. Make a Grandparents' collage card.

What you need:

- one A4 piece of cardboard
- pencil
- coloured felt-tip pens
- glue
- cotton wool
- coloured buttons
- coloured craft paper
- scissors

What you do:

1. On the A4 cardboard, draw the shapes of Grandma and Grandpa.
2. Cut and glue the coloured craft paper onto the bodies of your grandparents as to make their clothes.
3. Glue the buttons onto their clothes.
4. Glue the cotton wool onto their heads to make hair and, if you want, use it to make a beard or moustache for Grandpa.

2. Now complete the bubbles with the words in the box. Then cut the bubbles and glue them next to Grandma and Grandpa!
