

What do you do at **CHRISTMAS**?

Pre-teach the words *Christmas tree*, *present*, *Christmas card*, *song*, *mountains* using flashcards. Elicit and practise which verbs go with the words. Practise the questions by asking the children what they do at Christmas ("Do you...?" "Yes. I do" "No. I don't"). Photocopy the sentences and cut them up. Divide the class into groups of four. Give them the mixed up sentences and ask them to match the two halves. Get them to ask and answer the questions together and complete the chart.
