

# Remote Monitoring

## Versant English Placement Test

### The Student Journey

#### Receive test invitation

- You will receive an invitation to take your Versant test by email before the test, from the address [admin@hirepro.in](mailto:admin@hirepro.in). Please check your spam folders if the email does not arrive in your inbox.
- The email provides a test link, username and password, and informs you that the test will be recorded.
- When you click on the link you will be directed to the test platform where you can follow the on screen instructions.
- The test must be completed in the window of opportunity indicated by the university.

#### Before the test

- Please follow the instructions provided to ensure your system and environment (test room) is suitable.
- Please read the official guide to familiarize yourself with the test, available on [the UniMi SLAM site](#).

#### Take the test

- After clicking on the link to go to the platform for the test, you will be instructed to enter your username and password (provided in the invitation email) to start the test.
- You will be instructed to enter your username and password (see the invitation email) to start the test.
- Next, you will be asked to take a selfie using your device's camera or upload a photograph.
- You must also tick boxes to consent to being monitored.
- The duration of the test is about 50 minutes.
- The test cannot be paused and you must take the full test in one sitting.
- To learn more about the test and read advice on how to be successful, please visit: <https://www.unimi.it/en/study/language-proficiency/placement-tests-and-english-courses/placement-test>

#### After the test

- Results of the linguistic portion of testing will be available after the test, but final decisions are subject to approval of the university based on proctoring reports. The university will inform you of the next steps.
- You will be able to download the test report. An email will arrive describing how to do that after the test.
